In general, we've found that using using [Google's Chrome](#) instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

- Make a CPS online profile (if you've never been CPS-certified)
- Register for a course (Certification or Renewal)

- I have read and do hereby agree to adhere to the content of the National Standardized Child Passenger Safety Training Program, including the curriculum published by the National Highway Traffic Safety Administration and procedures set forth by the certifying body when performing child passenger safety educational functions. Failure to comply with these procedures and guidelines may result in my certification being suspended or revoked.
- I have read the following statement: To recertify, technicians must participate in a community education with families and children. If there is any reason you are unable to meet this requirement, legal or otherwise, do not continue with the recertification process. If you become ineligible to remain a certified passenger safety technician, no refunds will be provided.

Your re-certification fee includes two years of certification and the monthly e-newsletter, the *CPS Express!*
