In general, we've found that using using [Google's Chrome](#) instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

- Make a CPS online profile (if you've never been CPS-certified)
- Register for a course (Certification or Renewal)

If you are having problems with the page, such as tables that are cut off, it is due to your internet browser. [Microsoft no longer supports Internet Explorer 8 or older](#). Microsoft encourages upgrading to a newer browser. If you can't upgrade, [Mozilla Firefox](#) and [Chrome](#) are both free and work well. If you are not able to do so, contact Customer Service at 877-366-8154 for assistance.
