  - 1 hr 15 min - 1 hr 45 min = 1.5 CEUs
  - 1 hr 45 min - 2 hr 15 min = 2 CEUs
  - You may not combine shorter sessions from different events
- Mix and match to get your 6 CEUs (workshops, teleconferences, quizzes)

# Continuing Education: Categories

1. In-person Session/Workshop (max 6 CEUs)
2. Observing a Cert Course (*not available*)
3. Teleconferences (max 5 CEUs)
4. Online/Web sessions (max 5 CEUs)
5. Newsletters/Manuals/Journals (max 3 CEUs)

# Content Requirements

- All categories of CEUs must meet the **content requirements** of improving CPS technical knowledge.

# Examples of content that would qualify for CEUs

- 
- ✓ CR manufacturer product updates
  - ✓ CPS Q&A panel
  - ✓ Vehicle manufacturer workshops specific to occupant protection
  - ✓ The latest LATCH technology

- ✘ Impaired driving victim impact panel
- ✘ Older drivers

- ✘ Tips on how to better teach a CPS Class
- ✘ Operation Kids (*subsets of certification course*)

# Getting 6 CEUs

- **Mix and match** to get the 6 hours at any time during your certification cycle.
- No need to rely on an instructor!
  - LATCH or CRMI quizzes
  - Read the Tech Update and complete quizzes (2)
  - Organize a trip to retailer to learn about new seats
  - Organize a teleconference or meeting
  - Subscribe to Safe Ride News or SafetyBeltSafe USA's newsletters

# Getting CEUs online

## Continuing Education Summary for this Period

[Click Here to enter Continuing Education units](#)

Click on either option

### What is a CEU?

Generally, one hour of technical contact time counts for one continuing education unit (CEU), with a few specific exceptions. All categories of CEUs must meet the content requirements of improving CPS technical knowledge such as LATCH, a child restraint manufacturer workshop or CPS technical update. Non-technical CPS sessions, such as how to get funding or run an inspection station do not qualify.

You need 6 CEUs (feel free to mix and match) to recertify. You cannot carry over CEUs from one certification cycle to the next, even if you have accumulated more CEUs than are required. Because your certification cycle stays the same, any CEUs obtained after you recertify but before the first day of your new certification cycle may not be applied to the new cycle.
