

## Class is over! Now what?

---

- ✓ **Go to the CPS Certification Web site** (<http://cert.safekids.org>) and log into your CPS online profile to print up a wallet card, update your contact information, and enter information needed for recertification.
- ✓ If you do not have your **username or password**, contact CPS Customer Service at 877-366-8154 or [cpscert@safekids.org](mailto:cpscert@safekids.org).

### Get out there!

---

#### Reminders

- Do NOT go beyond what you have learned
- It is better to work with a partner with more experience when possible.
- Improve your know-how by working with skilled technicians
- Recruit new technicians
- Keep updated on new CPS changes.

#### Be Active and Educate Your Community

- Answer questions and make referrals
- Develop and provide community presentations
- Participate in health and safety fairs
- Provide current, culturally sensitive materials/information
- Set up an inspection station
- Hold a checkup event

### What do I need to do for recertification? Two general steps to successful recertification.

---

1. Meet/Enter all pre-registration **requirements**, including:
  - Verified seat check activity (5 types)
  - Community event (one check up or community workshop)
  - Continuing education (6 CEUs)
  - If CPSTI, teaching hours (20 teaching hours)
2. **Pay** for recertification

**Don't put this off!** You can complete your recertification, including payment, up to four months prior to your certification cycle end date. Your dates stay the same so there is NO LOST TIME.
