In general, we've found that using using [Google's Chrome](#) instead of Microsoft's Internet Explorer for web browsing is noticeably faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

- Make a CPS online profile (if you've never been CPS-certified)
- Register for a course (Certification or Renewal)

# Update Profile

The screenshot shows a user interface for a profile update. On the left is a navigation menu with sections: Menu (Diana Prince, Home, Account Details), Action (Items, 1. Register for Course, 2. Show Activity & Historical Tab), and Account (Update Profile, Change Username, Change Password, Log Out). The main content area is titled 'Portal' and 'QC Version', with a 'Logged In: Diana Prince' indicator. It displays a 'Welcome Diana Prince' message and an 'Account Overview' section. The 'Account Overview' is divided into 'Profile' and 'Contact Info' sections. A red callout bubble with the text 'Click HERE' points to the 'Update Profile' link in the Account menu.
