In general, we've found that using [Google's Chrome](#) instead of Microsoft's Edge for web browsing is faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

The screenshot shows a web portal interface. At the top, a grey header bar contains the word "Portal" on the left and a small red and white icon on the right. Below the header, a grey bar displays "Activity" on the left and "New Record" on the right. In the top right corner of the main content area, it says "Logged In: Safe Kids". Below this, a grey bar contains the text "Recent Cycle: CPST Recert Cycle 01/06/2026 - 01/05/2028". A "Processing..." indicator is visible. The main content area features a "System Message" box with a grey header. Inside the message box, it says "Message: Record has been added". Below the message, there are two orange buttons: "Add New Activity" and "Return to Summary".
