In general, we've found that using [Google's Chrome](#) instead of Microsoft's Edge for web browsing is faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:
