In general, we've found that using [Google's Chrome](#) instead of Microsoft's Edge for web browsing is faster.

There are two available log-in options. Please review your choices and click on the one that best meets your needs.

This online system is for [Certified Technicians](#), [Instructors](#), course administrators and people who are interested in [becoming a CPS-certified](#). Here are some of the things you can do in the Certification Management system:

# Click on "Register for Course"

The screenshot displays a web portal interface for Safe Kids. On the left, there is a sidebar with two main sections: 'Menu' and 'Action'. The 'Menu' section includes a user icon, 'Safe Kids', 'Home', and 'Account Details'. The 'Action' section includes 'Items', '1. Register for Course', and '2. Activity & History'. A blue arrow points to '1. Register for Course'. The main content area is titled 'Portal' and shows 'Welcome Safe Kids' and 'Logged In: Safe Kids'. Below this is an 'Account Overview' section with a 'Profile' table.

**Note:** All courses are taught in English.

The national course fee is \$95. Review the course information page carefully as there may be an additional local fee.

People interested in the Certification Renewal Testing Course must have an expired certification and stayed current in the field. Any candidates who have not kept up with the latest in CPS, should retake the full Certification Course.

The Hybrid offering of the standardized child passenger safety technician (CPST) certification course includes e-learning, virtual and in-person components.

For a comparison of the In-person and hybrid offerings of the CPS Certification Course, click [here](#).

A student workbook (Technician Guide) is provided to all students. For a preview, you may find it at [cpsboard.org/resource-center](https://cpsboard.org/resource-center).

Fill in the form below with whatever information you know. You don't have to fill in the entire form. Then click submit at the bottom of the page.
